

On behalf of the Board of Directors, I would like to thank you for participating in the Laguna Woods Men's Golf Club. The Men's Club provides its members with opportunities for pleasure, recreation and social relationships. Your participation and enthusiasm makes this possible.

This last year was one that none of us had anticipated or relished. We were forced to have our golf course closed for about 6 weeks due to the restrictions placed upon us because of the pandemic. Thankfully, it did reopen and allowed us to once again play golf, the sport that we love. The policies that were put into place for us to reopen have not put a damper on our desire to play. It is quite nice to be able to play 18 holes under four hours. With the clubhouses being shuttered, this stopped us from enjoying the special events we normally put on during the year especially the Memorial tournament. It is the event where we donate all the net proceeds to our only charity, The Foundation of Laguna Woods Village. In the past several years we have given over \$31,000 each year. I am proud to say that without having the event we were still able to donate \$5,250 last year.

The sponsor ads in this manual help us to provide you with enjoyable tournaments and social events. I encourage you to patronize these sponsors and let them know you appreciate their support of our club.

Again, we thank you for your participation and look forward to a greater year ahead.

Gratefully,

A handwritten signature in black ink that reads "John M. Soule". The signature is written in a cursive style with a large, looping initial 'J'.

John Soule, President
