GM Ladies' Open

Wednesday, April 5th

8:30 a.m. Shotgun Start

A combination of three "6 Hole Matches" with a different format on each 6 hole segment. All putts must be holed out – no gimme's and no exceptions!

Holes #1 - #6 - "2 - Woman Shamble" - each player on the 2 - Woman team hits their own drive, then the team proceeds to the best drive of the 2 and proceed to play their OWN ball in from that point until their individual balls are holed out. The best net score of the two will be used as the "Team Score". *(NOTE: 50% of established handicap will be used in this format.)*

Holes #7 - #12 - "2 - Woman Combined Net" - each player plays their own ball from tee to green until holed out. The two net scores are combined for "Total Score" on each hole. *(NOTE: 100% of established handicap will be used in this format.)*

Holes #13 - #18 - "2 - Woman Scramble" - each player on the 2 - Woman team hits their own drive, then the team proceeds to the best drive of the 2 and each plays their next shot from that point. Continue this until your team is holed out for your score on each hole. *(NOTE: 25% of established handicap will be used in this format.)*
