

MARGA Council Meeting Minutes

Monday, May 9, 2016 2:30pm Yahara Hills

The meeting was convened on time and brought to order by MARGA President Larry Witt.

Attendance roster at attachment 1.

Minutes of the April 11, 2016 were distributed and approved by the members with no additions or corrections.

Slow play for all MARGA leagues is a growing problem as our membership increases. It is of particular concern at Odana due to the impact it has on follow-on non-MARGA players. We could possibly lose the Wednesday league. Various remedies were discussed. These included reducing the number of prize flags per hole, cart etiquette, max scores, ready-go, and finishing putts to name a few. All agreed that keeping up with the group in front is probably the most effective solution. League secretaries and schedulers will inform the membership of these concerns through the individual leagues' weekly emails.

Rain outs were discussed. There is general agreement that cancellation and/or whether or not to declare a make-up day at the end of the regular season will be left to the discretion of the league schedulers and secretaries. Communication to members will normally be by email by 8:00am if possible.

Discussion of possible change of venue for annual luncheon due to increased membership was briefly discussed. We are still searching for a solution.

Event winners will be published in weekly emails. Hole in one—contact Larry Witt and Bob Dye. Volunteer request of MARGA members will be published on the web site.

Bill Bley, Secretary
