

MARGA Council Meeting Minutes

Monday, June 13, 2016 2:30pm Yahara Hills

The meeting was convened on time and brought to order by MARGA President Larry Witt.

Attendance roster at attachment 1.

Minutes of the May 9, 2016 Council Meeting were distributed and approved by the members with no additions or corrections.

A motion to change the September 28 luncheon venue from the Maple Tree in McFarland to Rex's Innkeeper in Waunakee passed unanimously. This move is necessary due to MARGA's increased membership. The Maple Tree is simply no longer big enough to accommodate us. All agreed that we will miss the Maple Tree as the service and the food has been outstanding over the many years they have hosted our annual awards luncheon. We will send a letter of appreciation to Gary (Maple Tree owner).

League schedulers and secretaries will send all info, to include tee times, prize winners, and prize lists, to Steve Lesgold for publication on the Website. Also include any Eagles or Holes-in-One for recognition on the Website.

A proposed procedure for disbursement of awards was discussed. This is a complex topic requiring much more discussion and research due to questions about available technology. It was moved that we table the discussion for now. Motion passed unanimously.

The Lake Wisconsin Golf Outing was a big success. 99 golfers participated. It was agreed that the shotgun start does present some challenges to the wait staff for food prep and serving.

Council members agreed to discuss and approve a proposed survey to be sent to the general membership before the end of the season. The survey will poll

member preferences for proposals such as new leagues, preferred days of play, etc.

League operations were discussed including possible rules changes. No rule changes were agreed upon. Stay tuned.

Bill Bley, Secretary
